Daily update during school closure– 25/3/2020.

Dear Parents and Carers,

We hope that you are all getting on well with your home learning packs and ensuring that you have time for exercise, mindfulness and quality family time. Remember that we are not expecting you to re-create the school environment at home.

If your child was in school last week, they should have received their home learning pack. Our staff are working hard to deliver any of the outstanding packs that are in school.

The home learning packs should support you and your child(ren) with some activities along with the links and activities on our website. We hope you are enjoying our daily P4C (Philosophy 4 Children) activities on our website home page. To re-iterate Fiona's previous message, don't worry about them falling behind at school as every child is in the same boat and we will support the children when they are back with us.

Moving forward, as a school, we are looking into the best way to support our children. Teachers are currently working on more home learning tasks and we are keeping our website updated with useful links and activities as well. The office will be contacting you within the next week to find out if you would like to collect a paper pack from the school or access via the website. Please respond when they get in touch.

For those of us in school, we are continuing to join in with Joe Wicks' PE sessions every morning at 9am and we are also doing some doodling with Mo Willems. Both of which can be found on YouTube.

If you would like to contact your child's class teacher, please do so via office@priorweston.islington.sch.uk and it will be passed on to a relevant staff member.

Thank you all for your continuing support and take care.

Bev Newman & Aoife McMonagle
Deputy & Assistant Head Teacher
