SATs

Well done to all year 6 students for getting through this week of SATs exams. You have all shown perseverance and resilience, in a situation that some can find a little stressful.

We are all very proud of you and hope that our year 6 students at Prior Weston enjoyed their rest day today at Rio Cinema.

The Happening - 1969

The Happening is our annual end of year celebration. This year there is an added bonus to festivities with observance of Prior Weston's 50th anniversary. And so the theme is **1969**.

If you were a former student at Prior Weston, have links with the school and its wider community or just want to help out to organise or run a stall on the day, please speak to Katy or email your details to

Life at Prior Weston

Yes, WE can!

Year 4 were visited on Wednesday 15th May by Ella Porter from WE.org.

WE.org is a charity that brings people together to make change, and Ella came to speak to the children in Kew and Temple classes about environmental issues. She asked the children to consider their local environment and the wildlife that lives there.

While imagining what our world might look like in one hundred years' time, the children created an action plan for how they could create greener spaces in school and locally that would support and help wildlife to flourish.

It was a great morning of activity, and the children were buzzing to come up with ideas that also linked with **our current Science topic of Helping Habitats**. Watch this space for news on how the children's ideas build into action!
