Islington food bank is one of the busiest in England and has been set up for people who cannot afford to buy food to eat. They would like us to donate as many of the items on the list as possible, which will then be distributed to the increasing number of families who approach the service for emergency food packages. Each person who accesses the service is given enough food for three days, that's breakfast, lunch and dinner for three days.

Thank you for all the donations so far.

You have until 12th October to bring food list items in, before they are collected from the central area on Monday 15th October.

We're collecting for the Islington Foodbank, who provide emergency food for local people in crisis.

Please donate an item or two from the list.

Thank you!

Our values ARE British values

Prior Weston has been doing a lot of work around our shared values and linking them to wider British values. The six British values that we are focusing on are: Liberty, Law, Democracy, Respect, Responsibility and Tolerance. Above our display in the central area are a few of the inspirational British figures who live these values. How many do you know? Can you name them all? Give it a try and discuss with your children why they represent our values. Bring your completed lists to class and receive a prize!

Come and meet the EYFS link and Creative arts governors Eszter Solyom and Laura Sainsbury, respectively, in the Children's Centre at 9 am on Friday 12th October.

Cashless at Prior Weston

Vouchers and ParentMail are the only forms of payment accepted.
